REGULATIONS

With the exception of the *Restricted Pairs*, *Random Seeded Pairs* and *Charles Heward Trophy*, which are open to non-members, players participating in County events must be members of the County before the start of an event. Any person found not to be a member will be automatically disqualified with their partner/team members.

Events will start at 1:30pm unless otherwise stated. Players are asked to be seated 10 minutes prior to the start time. Players arriving more than five minutes after the start may be turned away. Master Point Rank restrictions are taken as for points earned as at the 1st September of the current season. For any player who does not have a current ranking the Competition Secretary shall decide upon the appropriate rank.

Smoking – In all County Competitions there will be no smoking in the playing area. For matches played in private homes the home captain has the right to ban smoking indoor. Notwithstanding this there shall be no smoking at the table.

Permissible systems

- Level 4 – Gold Cup; League Div 1
- Level 2 – Charles Heward; Restricted Pairs
- Level 3 – Rest of Competitions

Convention Cards – Each member of a partnership must have an identical card made out and ready for inspection by opponents.

Announcements Current EBU regulations concerning announcements shall be in force.

Master Point Rank Restrictions - Rank restrictions are taken as for total masterpoints earned as at the 1st September of the current season. In some instances the Competition Secretary will decide what ranking a player has achieved based on their playing history and current national rank.
