

NORTHERN BRIDGE LEAGUE – Captains’ Handout – SIX TEAMS

The event consists of 5 eight board matches against each of the other Counties. Please allocate your four pairs in the A and B sections as NS-A, EW-A, NS-B, EW-B and fill in their names on the attached scoresheet. NS-A and NS-B must start at the same table number in each section. Pairs must not change section or direction throughout. Matches are scored every 8 boards. All four scores for each board are added together before converting to IMPs. The total IMPs on all 8 boards are converted to VPs using the scale. After each round, your pairs move as on the Table Movement card.

There will be a charge of £10 per player. Please collect £80 from your team and hand it to the event organiser.
